## BECOME A VENDOR

We are happy to announce the 22nd celebration of our annual ElderCare event, on Tuesday, May 5, 2020, at The Manor in West Boylston held in collaboration with the Worcester County Reserve Deputy Sheriff's Association. ElderCare is a yearly event for seniors in the Central Massachusetts area (including Tri-Valley and Montachusett areas).

Every May, the **Administration for Community Living (ACL)** leads our nation's observance of **Older Americans Month**. This year's theme is *Make Your Mark*. "ACL selected this theme to encourage and celebrate countless contributions that older adults make to our communities. Their time, experience, and talents benefit families, peers, and neighbors every day. Communities, organizations, and individuals of all ages are also making their marks. This year's theme highlights the difference everyone can make – in the lives of older adults, in support of caregivers, and to strengthen communities" (From the Administration of Community Living announcement).

**Education, outreach, and strengthening communities** are all important goals of ElderCare 2020. Although we are still in the early stages of planning, there will be many presentations, activities, and educational outreach opportunities for seniors in our service areas. Local first responders, healthcare leaders, public health leaders, and local officials will be a part of this important event. We hope that your company will join us for ElderCare 2020 that supports the seniors in our communities before, during and after this event.

Your organization will be helping to make a difference in the lives of hundreds of seniors in the Central Mass area. We hope that we can count on your help to make this year's event one of our best! **We hope to see you at ElderCare 2020 as a vendor!**
