PLEASE READ THESE TERMS AND CONDITIONS OF USE CAREFULLY BEFORE USING THIS SITE. By using this site, you agree to these Terms and Conditions. If you do not agree to all of the Terms and Conditions of this Agreement, do NOT use this site. These Terms and Conditions may be revised and updated at any time. Please periodically review the Terms and Conditions because your continued usage of this site will mean that you accept those changes.

Any access to this web site which bypasses this User Agreement shall constitute a reaffirmation of this User Agreement, as may be subsequently modified or amended by Central Massachusetts Agency on Aging ("CMAA").

The content of the CMAA website is provided for general information only and is not intended in any way to substitute for professional medical advice. Neither the content nor any other service offered through Central Massachusetts Agency on Aging are intended to be relied upon for medical diagnosis or treatment. Always seek the advice of your physician or other qualified health professionals, if you may have concerns about your health. To obtain medical advice, users must consult a physician one-to-one. Users are encouraged to develop a professional relationship with physicians and other medical practitioners and regularly consult with them and seek their advice. The user acknowledges that the purpose of this web site is to provide general information regarding aging network providers, and should not be the only basis upon which a provider is chosen. By accessing this web site, the user acknowledges that this web site is designed to allow the user to make general comparisons among agencies and program providers. The user acknowledges that the base data presently contained on this web site was obtained by CMAA from the noted respective agencies and programs. Information contained on this web site is not intended to be a substitute for professional medical advice, and you should seek the advice of your physician or other professional prior to choosing any healthcare provider or making any healthcare decision.
